NOTES FROM WRITER

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

In the Name of Allah the Most Gracious the Most Merciful

This is a new presentation of the useful pocket guide that includes the rites of Umrah, Hajj and selected supplications. Though these supplications can be used at any time, they are very useful during Hajj, especially on Arafat. The manner and time of supplication is also briefly covered due to its importance.

This guide is a combination of my Umrah and Hajj pocket guides and the dua's, based on my books; Getting the Best out Hajj and the Ultimate Guide to Umrah, which received wide acceptance and benefited many Muslims across the world.

The guidelines in this book apply to both Umrah and Hajj and have been prepared in order to help you perform your rites according to the Sunnah of our beloved Prophet Muhammad (ﷺ) as he said:

***“Learn your rituals (rites of Hajj and Umrah)
from me” -Imam Muslim***

I would like to thank Allah The Almighty for continuing to grant me the blessings and opportunities to help His Guests in so many ways that I could never have imagined. Secondly I would like to thank Dakwah Corner Publications for making this 'second publication' possible and for giving it a new and refreshing look. May Allah reward them abundantly, Ameen

Also, please do not forget to make dua for me and my family for Allah to write this for us in our book of deeds, to keep us sincere and steadfast and to continue to give us the health and strength to serve His Guests in a way that pleases Him.

May Allah accept your Umrah, Hajj and dua's!

Abu Muneer Ismail Davids
